8. Complaints

All official complaints related to irregularities throughout the duration of the race or ranking must be communicated to the Technical Panel within a period of 30 minutes after the official classification (not the previous unofficial classification) has been announced. If it is not resolved at that moment, the complaint will be passed to the Competition Committee, who will resolve matters affecting the outcome of the race within a period of four days, and matters related to possible penalties will be resolved in a period of eight days.

9. Starting order

The starting order of the races of the Shimano Super Cup Massi shall be allocated according to UCI ranking, the general ranking of the Shimano Super Cup Massi 2024 and the order of registration via the website.

10. Technical requirements

- The leaders of the different categories must wear the leader's jersey, which they shall be provided with. These jerseys have a space reserved for the team's advertising.
- Refreshments are only allowed in signposted areas.
- Replacement parts and tools for repairs must be deposited in the signposted technical areas. Replacing equipment (except for bicycle frames) and technical assistance between members of the same team, by the team mechanic or neutral assistance is permitted.
- Those attending the awards ceremony must attend wearing the corresponding club gear (jersey and shorts).
- Unsportsmanlike behaviour towards other riders, the Technical Panel, organisational staff or the environment may lead to exclusion from the event.
- Participating in the Copa Catalana de MTB International implies acceptance of these regulations. The same regulations are subject to modification, extension and interpretation by the FCC and the organising committee.
- The organisation reserves the right to modify the circuit in the event of insurmountable obstacles. Similarly, all unforeseen circumstances shall be resolved by the members of the organisation and the event's Technical Panel.
